

A PLAN OF THE MOON PUBLISHED FOR THE 1969 LANDING

Mond. Moon. Lune. 1969.

Cartographer	<u>HÖLZEL, F.</u>
Date	1969
Stock #:	21931
Publication:	London: London Plan Publishing Co London Ltd, 1969. Colour printed map. Sheet 1040 x 885mm.
Condition:	Original folds flattened, laid on linen.

DESCRIPTION:

A map of the moon based on the view from a telescope, with text in German, English and French, published for the 1969 Moon landing. The features of the Moon are named and the sites of the American and Russian probes marked. Around the globe is a calendar of the waxing and waning of the Moon for 1969.
