A SPECTACULAR PROSPECT OF VENICE AS A BIRD'S-EYE VIEW

£6,500.00

Venetia.

Cartographer	<u>JANSSON, Jan.</u>
Date	1657
Stock #:	25640
Publication:	Amsterdam, c.1657. Two sheets conjoined, total 420 x 1030mm.
Condition:	Some minor restoration. A very fine impression.

DESCRIPTION:

A wonderful bird's-eye view of Venice, published in Jansson's Townbooks in 1657, with a vignette of the Venetian Lion and the Doge's cap. This is an example of the first state, before De Wit added his name c.1680.
