

A TUBE POSTER FOR BOND STREET STATION

£2,800.00

[Bond Street Station] Map of District within ¼ Mile Radius of this Station.

Cartographer	<u>LONDON TRANSPORT.</u>
Date	1934
Catalogue	Catalogue 20: 50 Exceptional Items
Stock #:	17889
Publication:	London: Stanford's Geographical Establishment for London Passenger Transport Board, 1934. Colour-printed map. Sheet 765 x 500mm.
Condition:	Laid on linen.

DESCRIPTION:

An extremely rare poster map, published in very limited numbers for use at Bond Street only; the code bottom left suggests only 100 were printed. Based on the Ordnance Survey, the map encompasses Grosvenor Square, Manchester Square and Cavendish Square, with parts of Hanover Square and Portman Square. The Beck tube map was introduced the year before this poster was published.
