

A 17TH CENTURY MINIATURE PLAN OF VALLETTA

£220.00

Malte.

Cartographer [MALLET, Alain Manesson.](#)

Date 1683

Stock #: 22329

Publication: Paris, 1683. Coloured. 145 x 100mm, set in text.

Condition: A good example.

DESCRIPTION:

A map of the defences of Valletta presented as a bird's-eye view, with a sea battle off the coast. It was published in the 'Description de l'Univers', a five-volume work by Mallet (1630-1706), a military engineer, cartographer and mathematician in the service of the French King, Louis XIV.
