A SEA CHART OF THE ENVIRONS OF SINGAPORE

£2,000.00

Nouvelle Carte des Mers Comprises entre le Détroit de Banca et P.o Timon, avec la partie Orientale du Détroit de Malac.

Cartographer APRÈS DE MANNEVILLETTE, Jean Baptiste d'.

Date 1775

Stock #: 19834

Publication: Paris, c.1775. 515 x 680mm.

Condition: A good example.

DESCRIPTION:

A sea chart, orientated with north to the right, showing the environs of Singapore, the Malacca strait, part of the north coast of Sumatra and the island Bangka. Singapore appears as 'I. de Jatana ou de Saincapour'. Part of Galang ('Pulo Gallant') is marked as unknown.

From the enlarged edition of Mannevillette's 'Le Neptune Oriental', his guide for sailing to the East Indies, based on his own experience and other captains of the Compagnie des Indes.
