Condition	Old ink pagination in top margin.
References	KING: Miniature Maps, pp.76-7.

Product Description

A rare miniature town plan of Seville, engraved by Valegio after the Braun and Hogenberg plate of 1572, published in 'Raccolta di le piu illustri et famose Citt? di tutto il Mondo'.

Of the 322 plans in this series, 112 are signed by Valegio, six were reissues of plates engraved by Martin Rota in 1572, and the rest were anonymous.

This plate is more commonly seen in the later 1713 'Universus terrarum orbis' by Raphael Savonarola (also known as Alphonso Lasor a Varea).
