Product Description

A scarce plan of the Great Fire of London, a German copy of the map published in Amsterdam by Doornick The main map shows London and Westminster with the extent of the destruction depicted. Insets include a prospect of the City in flames, 'Londons Brandt' , and Hooke's plan for rebuilding the city on a grid. Top right are the Royal Arms and those of the City of London.

The plan was issued with a letterpress key listing the buildings destroyed, not present here.
