

A classic 17th century Dutch map of Middlesex

BLAEU, Johannes.
 Middle-Sexia.

Amsterdam, 1658, Spanish edition. Original colour. 395 x 410mm, with wide margins.

£550

A very fine example of this early county map of Middlesex, with a decorative title cartouche and an armorial in full colour. London is shown pictorially, and Marylebone, Chelsea and Clerkenwell are marked as villages.
