

Detailed town plan of Madrid

HOMANN, Johann Baptist.

Accurater Grundris der Konigl. Spanischen Haupt und Residentz Stadt Madrid...

Nuremberg, c.1710. coloured. 490 x 575mm, with wide margins.

£900

A fine town plan of Madrid with four views under the map, including a bull-fight in the Plaza Mayor and views of three Royal palaces. In the left-hand corner of the map is a vignette of three figures dressed for the Masquerade gathered around a fountain which serves as the scale cartouche.
