

18th century map of Scandinavia

SEUTTER, Matthäus.

Synopsis Plagae Septentrionalis sive Sueciae, Daniae et Norwegiae Regn.

Augsburg, c.1731. Original colour. 490 x 590mm.

£480

A detailed map of Scandinavia, printed from at least the second plate used by Seutter. The first had a title cartouche with a portrait of Queen Ulrika Eleonora, who reigned from 1718 until her abdication in favour of her husband in 1720. This version has no portrait and has a reference to Seutter's position of Imperial Geographer (after 1731).
