

A prospect of Pre-Fire London

AA, Pieter van der.
Londres, Capitale de l'Angleterre.

Leiden, c.1720. Coloured. 225 x 285mm.

£700

A pre-fire prospect of London, from south of Southwark. Points of interest are the houses on London Bridge, and the old St Paul's Cathedral, which had already lost its steeple to lightning. With a decorative frame border embellished with swagged ribbons. From 'La galerie agréable du Monde'.
