

A tourist's map of New York's Subway system in the 1950s

HAGSTROM COMPANY INC.

New York Subways and Elevated Lines. William Sloane House Young Men's Christian Association. Headquarters for Transient Young Men and Men of the Armed Forces.

Hagstrom, c.1950. Colour lithographic map. 440 x 240mm.

£250

A folding leaflet map of Subway Systems and Elevated lines of the City of New York with a useful key to the different lines and transfers. It has been overprinted as an advert for William Sloane House, 'one of the best known Y.M.C.A.s in the world'. Printed on the reverse is a guide to 'Sightseeing in Midtown Manhattan' and other useful information.
